Enterprise Fund

The department has operated as an Enterprise Fund since 1991. Recreation programs are self-supported by setting fees to cover all expenses. The Director of Recreation and Community Programs, through the Recreation Committee, sets fees with the approval of the Board of Selectmen. The Recreation and Community Programs operating budget supports staff who manage and deliver recreation programs along with the materials and supplies needed to operate these programs. The General Fund supports a portion of the Community Center operation. Surplus revenue generated through the Recreation Enterprise Fund (Recreation, Pine Meadows Golf Club, and Lexington Community Center) helps fund Capital Improvement Projects and financially supports some services provided to the department by other Town departments, and payment of \$100,000 per year towards the Lincoln Park debt.
