

# Northern Valley Wrestling Club

## 2017-2018

The Northern Valley Wrestling Club is the junior high feeder program for both Green Canyon High School and Sky View High School. This program is for all wrestlers from 3rd grade through 8th grade, begins **November 13th** and runs through the last week in January. Those kids who wrestled in the GCHS Pups program and the Sky View Little League program in October and are in the 3rd grade or higher may choose to extend their seasons by joining NVWC!

Practices will be held on Mondays, Wednesdays and Thursdays each week at 5:15 p.m. The location of practice will rotate monthly on Mondays. Wednesday practices will ALWAYS be held at Green Canyon High School (wrestling room is on the north end of the building). Thursday practices will ALWAYS be held at Sky View High School.

The cost to register for this program is \$75.00. What does your money buy?

- A quality coaching staff dedicated to developing work ethic and skill in youth athletes
- High school wrestling mentors
- Busing to and from tournaments
- Three practices a week for THREE months (compare to other sports where you pay \$50.00 + monthly)
