

Summer 2018

SNAP Kids Playground Program

SNAP Kids offers a traditional summer experience for children with disabilities of all types. During the summer months, children are often in need of a structured, supportive, and caring summer environment, and SNAP Kids provides just that. Kids will learn social skills, teamwork, and respect in a non-academic, fun and caring environment. Children will develop new friendships with peers, interact in the community, and have a blast!

We have a highly qualified staff and a 3:1 camper/ counselor ratio with a maximum of 25 participants.
